Re: Our File: 582-736 BANGLADESH
PM #562

Dear Les:

An Official Letter has issued in the above case and since the date for acceptance of the application expires on November 8th, we would like your instructions as soon as possible, although a three months extension of time is possible. We enclose a photocopy of our agent's reporting letter and the Official Letter as well as a new Power of Authority which should be executed and returned to us as soon as possible.

The first objection of the Examiner is one we have encountered in a number of other foreign cases. However, the agent suggests how it can be overcome. The rest of the objections are straightforward and present no problem.

Sincerely,

George J. Brandt, Jr.
